1 **Attorneys for Plaintiffs Santiago and Puluc**

2 The parties previously filed a Joint Notice of Tentative Settlement
3 with the Court. At that time, the parties informed the Court that they anticipated
4 that the settlement in this action would be completed no later than December 1,
5 2017.

6
7 Plaintiffs have informed the Court that two of the four required steps
8 in the Defendant City's settlement process have now been completed, with the
9 third step scheduled for December 5, 2017. The parties anticipate that the
10 settlement will be completed by the end of December.

11 Accordingly, the parties request that the Court extend the time to
12 complete the settlement to and through December 30, 2017.

13
14 Good cause existing for the requested extension, the Court grants the
15 request and directs that the time to complete settlement is extended to and through
16 December 30, 2017. If the matter is completed before that date, Plaintiffs are to
17 file a dismissal with prejudice.
