Subject: Reminder Thursday BID Consortium Mtg - Agenda, Minutes

Hi Everyone -

Please find the agenda for Thursday's meeting, along with the October Minutes.

Reminder that we following guests:

- Seleta Reynolds, GM LADOT
- David Hodgins, PACE
- Don Steier, CCEA Lawsuit
 - **BACKGROUND:** You may or may not be aware that CCEA (and the City) have been sued in Federal Court by the Legal Aid Foundation. The complaint is over the removal of unattended property on sidewalks (attached). The prior lawsuit, known as the Lavan case, was against the City only and was based on the City's immediate destruction of homeless possessions. As a result, the City now stores for 90 days any items they confiscate from the streets.

CCEA has a practice in place since 2003 of holding all unattended property for 90 days, with notice posted at location where property was seized. Despite this, however, the lawsuit claims CCEA should not remove property AT ALL. This is significant because it is the first time a BID is sued directly, and the ramifications could be serious for any property owner, with or without a BID, who removes unattended property from a public sidewalk. (The City is also named because Legal Aid claims it has evidence of one instance where LAPD officers stood watch as CCEA confiscated unattended property. Legal Aid claims this is a violation by the City of the Lavan injunction.)

Here is the LA CAN press release:
