Subject: Guest at Security Committee meeting

To: Board presidents; security committee chairs:

Today there was a guest at our meeting – his name is [REDACTED]. He lives on [REDACTED]. He sent a public records request, this afternoon, asking for the Andrews' report today and for the Andrews' report going back 11 months. He also asked for a copy of the City Attorney's email to me that I commented from. I have consulted with Jeff Briggs and I am also checking with the City Clerk on the parameters of how to respond to a public records request (timing, format, etc). I have not had a public records request for at least 10 years, so I want to ensure I am following the rules.

However, in the meantime, we just discovered a blog that he has started which is seeking to discredit the BIDs and the security patrols for the Hollywood, Sunset and Media District BIDs. Here is the link:

I will keep you informed.
