Good Afternoon Dan!

I hope this email finds you well. It was wonderful to see Councilmember O'Farrell at the OWB CPAB Summit. His graciousness and class just added to the event. Thanks for being instrumental in making that happen.

I wanted to touch base with you after I had lunch with Bill Farrar today. He discussed resurrecting the nighttime BID security piece again and said it had Board support. He added that there was potentially some fiduciary support for extending the program's timespan from CD 13. I am unsure if this is the case. He hadn't heard any update, and I told him I was not aware of any details...just thought I would reach out to you to get further information when you get a chance. Best always, B
