Citywide Sidewalk Vending Proposal

☐ In late 2013, a City Council motion was introduced that could allow virtually unlimited food and merchandise vending on sidewalks and in parks throughout the city.

CCA has helped create the Coalition to Save Small Business to oppose unlimited vending and to protect the interests of business and property owners. Come for an update on the City's actions, learn more about the Coalition and hear about what's next.

Special guests: Matt Rodriguez and Jessica Borek, Coalition to Save Small Business

SCA 5 – Split Roll Property Tax

☐ In June, SCA 5, the Property Tax Fairness Amendment, was amended in the State Senate and would make California's property tax code assess commercial and industrial properties at their market value, after a phase-in period. The bill's authors claim it would also provide significant tax relief for businesses, protect homeowners and renters from any changes to their property tax status, and create strict new accountability measures for new revenues.

Join us for a discussion about this bill, its chances to pass and its potential impacts.

Special guests: TBD
