TO: Security Committee

For some time, we've promised you an opportunity to visit the Andrews International training facility in Burbank where they have a shooting range and a FATS simulator. FATS stands for Fire Arms Training Simulator, and it presents a realistic training experience. I've tried this a couple times and it is very humbling and helps us all appreciate the split second judgments that must be made by law enforcement.

If any of you would like to participate, we are going to venture up to their facility next Wednesday, February 19 at 11 a.m. Bill Farrar will bring in sandwiches and everyone will have an opportunity to experience both FATS and the shooting range, if you would like. We should be ready to return to Hollywood by 1:30 - 2 pm.

Please RSVP to me by Monday afternoon so we can plan for food. I will also send out address and parking instructions next week.

Best regards, and have a great weekend,
Kerry
