---

[REDACTED], I am assuming that you want files for minutes for

- HPOA board meetings dating to 2007
- CHC board meetings dating to 2007

As I mentioned below, the committees are advisory in nature and we do not take formal minutes or seek approval of minutes. We take meeting notes to keep track of issues. There was a period when we took minutes for Security Committee, 2008 - 2010. Please advise as to whether you want these, or just the board minutes.

Kerry

Dear Kerry,

For now, may I have all the electronic minutes? I'll make appointments in the new year if necessary to inspect the older minutes. Do you have any objection to using dropbox to transfer the files? I can set it up so that neither an account nor login are necessary and you can drag-and-drop the files through your web browser. If you already have an account I think there's some kind of internal dropbox transfer mechanism which is certainly even more efficient. If for whatever reason you're not comfortable with any form of dropbox, I'll send you an unused USB drive as usual.

Thanks,

[REDACTED]
