Dear Kerry,

Thank you so much for supplying me with those 2013 arrest reports and activity logs in their native Word format. I'm hoping this signals a change in attitude towards Word documents. If so, could you please give me copies of all the HPOA, CHC, and Joint Security Committee minutes, which you previously supplied as PDFs, in their native Word format? If so, I hope we can do this via dropbox, which will certainly be easier for everyone. If you want an independent opinion on the value of this, Blair Besten of the Historic Core BID uses it to supply me with material and could certainly fill you in on the benefits.

Thank you so much for your help,
