We are no longer using DropBox in this office.
We will be happy to upload the records we have collected per your request when you supply the USB key.
Matthew will advise on Monday, when he returns, as to the size of the file.

Sincerely,

Kerry Morrison

Dear Kerry. Thanks for your response. As you are aware, I offered to provide USB storage at a time when you were maintaining that no one in your office knew how to use Dropbox. We're past that now, so I'd prefer that Matthew just shared the folder with me on Dropbox as he's been doing.

Thanks,

[REDACTED] thank you for your patience as we gathered these records.
Matthew assists me in this effort, and he is out of the office today.
You indicated in your request that you would provide USB storage, so I will have Matthew advise as to the aggregate size of the files collected when he returns on Monday. He will advise as to the storage capacity required. When we receive that, we will be happy to upload those files and you can direct us as to whether we should mail, or you would prefer to pick up.

Sincerely,

Kerry Morrison
