Dear Miranda:

Hope everything has been going well with you!

Our proposal to Lincoln Institute of Land Policy was not successful. But we are moving on!! We are revising it and will submit it to the Haynes Foundation by **March 9th**.

I was wondering if you would be willing to offer a letter of support for us again for this incoming submission? I attach the letter you provided last fall. If so, you would just need to change the date to today's date.

I also attach the current draft proposal for your information. Thanks very much in advance!! Please let me know if you have any question.

Cheers,

Wei

Dear Miranda:

I just wanted to say thank you for the phone conversation. I look forward to hearing your decision, and I would completely understand if you have any concerns that prevent you from participating in this project. If that is the case, I would appreciate if you could recommend anyone from the City of LA, if possible, who might be a suitable candidate for our project's Advisory Board.

Thanks very much!

Cheers,

Wei

Hello Wei.

I do have concerns that prevent me from participating in the project. I don't know of anyone else to recommend.

Sorry and thanks.
