Good afternoon, Blair.

I notice that someone at HCBID redacted two names and some corporate affiliations from the emails you just sent me. Can you please state the specific exemptions to CPRA that were relied on to withhold this information and can you please tell me the name(s) and title(s) of the person or persons who made the decision to redact that information, as is also required by CPRA? Alternatively you could just tell me the two names.

Thanks for your help and cooperation!
