Laurie,

I rode my bike through Gateway to LA this morning as part of a BID inspection. Most of the BID looked great, but there were a couple of areas of concern. There was litter on the sidewalks along the south sides of 96th Street and 96th Place. There was also litter in the area between the sidewalk and street along the west side of Vicksburg Avenue between Century Boulevard and 98th Street.

Please contact me if you should have any questions.
