Officer Shin,

I read your email that you sent to the various BIDs. Let me say I totally agree and support the police commission (and you) in your efforts to assure that only qualified personnel are patrolling the street of Los Angeles.

The Fashion District currently has four BID officers in the final testing phases with both the LAPD and the LASO. Having come from a police department myself and being married to a retired captain with the LAPD (Jodi Wakefield), I know that the police commission has the the City of Los Angeles and the BIDs' best interest in mind.

We look forward to participating and having our personnel checked and sanctioned by the Police Commission.

In closing, please express to Mr. Tefank that Jodi and I say hello and Happy Holidays.
