**Mitch O'Farrell for City Council****MITCH O'FARRELL STATEMENT ON COUNCIL DISTRICT 1 CANDIDATE JOE BRAY-ALI**

"I saw in Joe Bray-Ali a person with deep roots in the 1st district, a passion for public service, and an independent approach to addressing the challenges facing Los Angeles...but I am deeply disappointed by his highly insensitive comments in online forums that breed hate and dehumanize already marginalized communities. People that I love and care about are hurt by these comments. There is no place for this type of speech anywhere, especially in the City of Angels, and I am concerned he has compromised his ability to be an effective leader. Therefore I can no longer support Joe Bray-Ali for Los Angeles City Council." -Mitch O'Farrell
