Mr. Gray,

Thanks for your email!

You registered last week with your California Drivers License but you did not submit any documentation with an address that qualified you as a Stakeholder. I worked with you to determine how you could demonstrate that you are a qualified stakeholder and you subsequently submitted a roster on Friday which we used to qualify voters, including you, yesterday.

Voters who were verified yesterday are being sent their credentials today but since you have already voted at the Pop-Up Poll, you will not be receiving credentials.

I apologize for the long wait at the polls but at the same time am pleased that there is such an enthusiastic crowd that is eager to vote.

Thank you for participating in the Skid Row Formation Election!

Stephen

Because i have never received approval for online registration or a PIN, I decided to vote today at the pop up poll ar 420 E 3rd. I have been waiting in line for 1.5 hours and there are still 10 people in front of me.

Electioneering out side of polling area within 25 feet is significant.

Hi Scott,

Hope you had a great weekend. Please let me know if you and your associates have not yet received your voting credentials, so I may assist you. The online voter registration deadline was Sunday night at 11:59 PM, so anyone who registered over the weekend should be verified by Tuesday, if their registration was complete and correct.

Once you receive your login, you may either use it to vote online by clicking the Vote Here button on this page:

<http://empowerla.org/elections/srnc17/>

Or you may bring your username and PIN to one of the physical polling locations happening all week around the downtown Los Angeles area, to vote in person. A full list of polling locations appears on the page linked above; I've also attached it a list of polling places here, for your convenience.

If for some reason there was an issue with someone's online registration, that individual may still bring their photo ID to one of the polling locations for assistance to vote in person. They may tell the registrar at the polls that their name appears on the Capital Foresight roster.

Thank you to you and your associates for participating in this election!

Best regards,

Hi Scott,

Thank you for sharing your roster. It looks correct, and I have added it to our files, so we may use it to verify your employees who appear on the list. As a reminder, individuals on your list must still provide some form of photo ID with their name on it when they register, otherwise they will not be able to be verified, even if their name appears on your roster. To see a list of examples of photo ID types accepted for this purpose, visit tiny.cc/NCElectionsDocsList.

Online voter registration closes Sunday, April 2nd, at 11:59 PM. (Online voting may occur until the time polls close at 7 pm on the official Election Day, April 6.) After that time, your employees may still register and cast their ballot at one of our Pop-Up Polls, being held around the downtown area through April 5th, or at the official Election Day polls, on Thursday, April 6th. I've attached a list of all polling places and times for this election, with links to maps for each location.

Thank you again to you and your staff for participating in this election.

Best regards,

Per your request, attached please find a roster of employees with Stakeholder Interest in the vote for the proposed SRNC. It is my hope that this roster meets the criteria for a second form of stakeholder interest according the guidelines available.

Please confirm that his is adequate to qualify each of these individual in time to register for on-line voting.

Hi Scott,

My name is Ann-Marie Holman; I'm part of the 2017 Elections team at EmpowerLA. Stephen Box said you'd be sending a roster of your employees soon, to help verify their eligibility to vote in the Skid Row Subdivision Election.

To help you create your roster, here's a link to a document that covers:

- how to prepare and submit a roster
- how to register and vote, both online and in person, if your name appears on a roster
- what photo IDs are acceptable to qualify as a voter (*your employees must still provide photo ID when registering to vote)
- who's eligible to vote in this election
- what this election is about
- 3 ways to vote between now and the official Election Day, Thursday April 6th
- contact info for further assistance

You may want to share this document with your employees, to help guide them through the registration and voting process:

<http://tiny.cc/RosterHowToSRNCElection>

Please send your roster to Elections@EmpowerLA.org when it is ready. Don't hesitate to let me know if I can further assist you in any way.

Best wishes,

Ann-Marie Holman
