The case was called and counsel for the parties entered their appearances.

The parties and the Court discussed the pending dispute between Plaintiffs and Defendants City of Palos Verdes Estates and Jeff Kepley (collectively, “City Defendants”) regarding a report by a third-party investigator retained by the City Attorney on an investigation into the source of a leak of a Palos Verdes Estates Police Department undercover operation (“Report”). Plaintiffs request production of the Report and the City Defendants assert the Report is protected by the attorney-client privilege and the work-product doctrine.
