Good morning again, Rena.

I'm hoping you can send me the raw ICS file for your meeting on March 20 with Rockard Delgadillo and Estela Lopez. You didn't redact any part of this event on the print-out you supplied, so I'm assuming this file isn't exempt. I need to see the meta data associated with this particular event.

Thanks for your help,

Only personal information has been redacted.

There are approximately 100 pages. I will not charge you for those. To mail it will cost \$8.93. We will charge you for that if you choose that option.

Please let me know your choice.

Thank you,
Rena
