Hello,

My name is John Darnell, and I work for the Department of Neighborhood Empowerment. I am contacting you because our department, and the Mid City West Community Council, are hosting an important free workshop for the business community in your area. It is called "*Neighborhood Councils for Business*". This is a great opportunity to learn about how the City of Los Angeles' Neighborhood Council System and city agencies can help local businesses thrive. Board members from the Mid City West Community Council will speak and be available for questions.

Special Guest Speakers include: Steve Kramer, President of the Miracle Mile Chamber of Commerce, and former board member of the Mid City West Community Council; and, staff from the City of Los Angeles' Economic and Workforce Development Department.

Hope to see you there!

"Neighborhood Councils for Business"
The Parlor - Hollywood
7250 Melrose Avenue, Los Angeles, CA 90046
Thursday, June 29, 2017 @ 9:30 am
****Light refreshments will be included***
