I think we should ask DONE to extend the online voting deadline for those that submitted their registration online before the registration deadline. That is only fair because the delay was due to DONE's inability to provide PIN on time.

Hi Estela,

How are we going to have any justification for not being provided with a pin in a timely manner to vote online? I am out of town and have been trying to cut my trip short to make it back on time, but that's not a guarantee that I will make it. Is there anyway that we may be able to proceed with our vote upon having a pin even if this process is completed after tomorrow's deadline? I am very sure that we are going to be losing out on many votes due to the fact that we haven't been able to be provided with a pin in a timely manner to vote online. Any suggestions on this?

Thank you!

Remember there is another polling place tomorrow at 420 E. Third St. (3rd & San Pedro) from 1-4pm.

Thanks again to everyone who made a difference today!
