There are some corrections needed before it goes through our internal approval process. Thereafter, it is scheduled for the Council's Economic Development Committee (EDC) for a hearing. From there, it will go to the full City Council for a vote. I don't yet know if it will have a new file number, but it will be assigned in order to go to the EDC.

You might want to check back with me in a week. It won't go before then since the EDC meets only twice per month on the 2nd and 4th Tuesday of the month.

Hi Ms. Moreno,

I wonder if you could let me know when the Venice Beach BID APR is likely to come before City Council? Also, do you know yet if the Council File for the APR approval will continue to be 16-0749 or is it going to change to some other number?

Thanks!
