Clean and Safe (Zones 1-9): $3,016,169.63 (66.00%)

Clean Program
The following summarized services are planned to be provided: sidewalk and gutter litter sweeping, trash pickup and removal from the district, sidewalk cleaning, graffiti and handbill removal, landscape service.

Safe Program
The following summarized services are planned to be provided: day-time patrolling bicycle personnel and nighttime vehicle patrol, welfare checks, location checks, citizen assists, plus others. The purpose of the Safe Program is to deter and report illegal activities taking place on the streets, sidewalks, storefronts, parking lots and alleys. The presence of the Safe Team personnel is intended to deter such illegal activities as public urination, indecent exposure, trespassing, drinking in public, prostitution, illegal panhandling, illegal vending, and illegal dumping. The Program will supplement, not replace, other ongoing police patrol efforts within the District. The Safe Team will maintain communication with the Los Angeles Police Department (LAPD) area patrols and intends to report illegal activities to the LAPD.

Communication (Zones 1-9): $374,750.00 (08.20%)

The following summarized services are planned to be provided: business survey to update
website directory, pedestrian count, consumer data and market strategy, economic
development, space activation, destination marketing, public and media relations, district
stakeholder communications, weekly e-newsletter, quarterly newsletter, website, holiday
campaign, social media outreach.

**Management/City Fees (Zones 1-9): $487,795.00 (10.67%)**

Management
The improvements and activities of the District are managed by a professional staff that
requires centralized management support. Management staff oversees the District’s services
which are delivered seven days a week. Management staff actively works on behalf of the
District parcels to insure that City and County services and policies support the District.
Included in this item are the cost to conduct a yearly financial audit and insurance.

City Fees
The City of Los Angeles charges the District 1% of the annual billed assessments to collect
and process the assessments.

Delinquent Assessments
The District establishes a reserve for delinquent assessments based on prior collection
experience.

Depreciation
The cost of capital equipment is depreciated over the estimated useful lives of the equipment.
These funds accumulate into an equipment replacement reserve.

BID Renewal
The BID Renewal process will be started in 2017.

**North Alley Overlay (Zone 1A): $341,882.68 (07.48%)**

In addition to the clean, safe and communication services provided to each individually
assessed parcel, the Santee Alley property owners defined as Overlay Zone 1A are provided
additional clean, safe and communication services paid through an additional assessment in
that zone. Santee Alley is unique from other areas in the district because it has the highest
pedestrian volumes in the district and requires more services. Parcels that are within Overlay
1A are also in Zone One and will pay both the Zone One and the Zone 1A assessments.

**South Alley Overlay (Zone 1B): $349,698.04 (07.65%)**

In addition to the clean, safe and communication services provided to each individually
assessed parcel, the Santee Alley property owners defined as Overlay Zone 1B are provided
additional clean, safe and communication services paid through an additional assessment in
that zone. Santee Alley is unique from other areas in the district because it has the highest
pedestrian volumes in the district and requires more services. Parcels that are within Overlay
1B are also in Zone One and will pay both the Zone One and the Zone 1B assessments.

**Total Estimate of Cost for 2017**

A breakdown of the total estimated 2017 budget is attached to this report as **Appendix A.**

**Method and Basis of Levying the Assessment**

The basis of levying the proposed Fashion District BID’s 2017 assessment is unchanged from 2016 and is based on nine (9) benefit zones with two (2) overlay subzones each with differing rates depending type and frequency of special benefit services provided in that zone. Assessments are composed of street front footage, lot square footage, building square footage, plus Alley front footage in the two subzones of Zone1: Santee North Alley Zone 1A and Santee South Alley Zone 1B. The Management District Plan allows for a maximum annual assessment increase of 4% for all areas except the Santee Alley sub-zones which allows for a maximum annual assessment increase of 8%. The Board voted for an increase to the maximum 4% for Zones 1-9 for 2017, a 3% increase for Santee North Alley Zone 1A and an 8% increase for Santee South Alley Zone 1B for 2017.
